EIGHTY-THIRD ANNUAL REPORT

The Board of Management has pleasure in presenting to the Governors the Report for the year ended 31st December, 1945.

Patients.

The number of In-Patients treated during the year was 2,025 as compared with 2,298 the previous year, a decrease of 273. Out-Patient attendances were 9,417 (1,970 new and 7,447 old) as compared with 10,075 (2,315 new and 7,760 old), a decrease of 658.

There were 2,692 operations (including Dentals) performed in 1945 as compared with 3,076 in 1944, a decrease of 384. The average number of beds occupied daily during the year was 49.9, and the average length of stay of each In-Patient was 8.9 days or excluding Tonsil cases 15.6 days.

The Report of the Honorary Medical and Surgical Staff shows the number of Patients who received treatment in Special Departments, and on page 18 is given a record of Districts from which the Patients came. It is interesting to note from the latter that 1,093 In-Patients from 143 districts other than Newcastle received treatment, and Out-Patient attendances from 178 districts other than Newcastle, numbered 5,683.

Almoner's Dept. and Garment Guild.

The Reports on these two auxiliary departments of the Hospital are given on pages 10 to 13 and show the extra assistance rendered for the benefit of the children by other than purely hospital treatment.

The Board has to record with sincere regret the great loss sustained by the death of Miss Margaret Cooper on 9th July, 1945. Miss Cooper had been the Honorary Secretary of the Garment Guild for 14 years, and during her period of office, her willing band of workers kept her well supplied with garments for the children.

It is hoped a successor will be found in the near future to carry on the good work. The Board expresses its appreciation and thanks to the donors of garments and contributions.

Finance.

The Balance Sheet and Income and Expenditure Account on pages 24 to 29 summarise the financial transactions during the year.

The total Ordinary Income amounted to £12,171 : 8 : 7 as compared with £11,468 : 18 : 6 the previous year, an increase of £702 : 10 : 1.

The total Ordinary Expenditure amounted to £14,562 : 14 : 11 as compared with £13,490 : 2 : 4 the previous year, an increase of £1,072 : 12 : 7 mainly caused by the purchase of a new X-Ray Tube, Special Repairs to the Buildings, and increases in Salaries and Wages.

The net deficiency for the year transferred to General Funds, amounts to £893 : 18 : 9 as compared with a deficiency of £572 : 14 : 7 for 1944.

The total Subscriptions and Contributions this year amounted to £6,115 : 7 : 10 as compared with £5,600 : 19 : 6, a net increase of £514 : 8 : 4 made up as follows :—

Vickers-Armstrongs 29 Shop. A most acceptable cheque for £150 was received from the workpeople of 29 Shop, representing a part of their Soldiers' Fund surplus. It has been agreed to devote this money towards the cost of a playroom for the children. The balance of the cost will be partly met by the Vickers-Armstrongs Employees' Medical Fund.

Newcastle Hospital Negotiations are in progress and it is hoped
Centre. that in the near future they will have ad-
 vanced sufficiently to enable a proposal to be submitted to a Special
 Court of Governors.

Memorial Gifts. There is a growing tendency on the part of
 those desirous of perpetuating the memory
 of a departed relative in some practical and useful form, to provide
 necessary and beneficial equipment for the Hospital. There appears
 on page 32 a list of further equipment which could be provided in
 this way by those desirous of doing so.

Nursing and During the year, five Nurses entered for the
Domestic Staff. Final State Examination and passed in all
 subjects. Fourteen Nurses entered for the Preliminary State
 Examination—eight passed in all subjects.

The following Nurses have been awarded
 prizes by the Trustees of the Heath Bequest :—

Senior Nurses.	1st Prize	Nurse Elizabeth Manners.
	2nd Prize	Nurse Amy Ord.
	3rd Prize	Nurse Kathleen Mary Joiner.
	4th Prize	Nurse Hilda Harrison.
Junior Nurses.	1st Prize	Nurse Anne Margery Judson.
	2nd Prize	Nurse Sheila Hughes.

The voluntary domestic workers (Mrs. Cochrane, Mrs. Davidson and Miss Eva Shaw) have during yet another year given untold help. Had it not been for them, it would often been impossible to carry on in the Laundry Department. To Miss Allan, who has spent every Sunday afternoon teaching one of our long-stay patients, we are also most grateful.

Chaplains. We are again greatly indebted to Canon F. G. Goddard, the Rev. Father J. A'Hearn, and the Ministers of the Non-conformist Churches, for their ministrations.

Obituary. The Board records with profound regret the loss they have sustained by the death of the following :—

Lady Sybil Eden, died 18th June, 1945, a Lady Patroness since 1927.

The Dowager Viscountess Allendale, died 1st August, 1945, a Lady Patroness since 1935.

Miss Margaret Cooper, died 9th July, 1945, Honorary Secretary of the Garment Guild since May, 1931.

Mrs. Edward Hunter, died 23rd November, 1945, a member of the Board from 1928 to 1942.

Mr. Ogden Watson Ogden, Honorary Consulting Surgeon, died 27th November, 1945, for 34 years on the Honorary Medical Staff.

Silver Paper. Our Silver Paper Cot Endowment Fund now stands at £801 : 15 : 3, an increase of £21 : 2 : 3 during the past year. Silver Paper has been very scarce during the war years, and it is hoped the supply will shortly become more plentiful. Grateful thanks are accorded to all our collectors.

Christmas. The traditional spirit of Christmas was well maintained at the Hospital again this year. Matron's Annual Christmas Appeal to the friends of the Hospital was so good that every patient found in his or her stocking all that had been asked for in letters to Santa Claus. Special Christmas fare was provided without calling upon the general funds of the Hospital. There were entertainments given by the Nursing Staff and a Conjuror, and all the Staff helped to make the children's Christmas a happy one. On Christmas morning the Hospital was honoured by an official visit from the Lord Mayor (Alderman J. A. Clydesdale) and the Sheriff (Alderman James Pearson, J.P.) and the Sheriff's Lady (Mrs. L. J. Onyon).

Thanks. The Board of Management expresses its gratitude to the members of the Honorary Medical and Surgical Staff, the Resident Medical Staff, Matron, Sisters and Nursing Staff, the House Governor, Almoner, Speech Therapist, Clerical and other Staff, for the efficient way in which they have performed their various duties for the benefit of the

and Pybus), and the Auditors.

proper state of efficiency.

On behalf of the Board of Management,

G. D. ANDERSON.

Chairman.

We are pleased to welcome back from the Forces, Mr. Munro Black, Assistant Surgeon E.N.T. Dept., Dr. Armstrong Davison one of our Anæsthetists, and Dr. Reginald Wear, Assistant in the Radiology Department.

We wish once more to record our appreciation of the services rendered to the Hospital and the Honorary Medical Staff, by the Matron and Nursing Staff, the Resident Doctors, the Lady Almoner and Dispensing Staff, and the hearty co-operation of the House Governor and Secretary in helping the smooth running of the administrative machine.

W. MACMURRAY,

Chairman, Medical Board.

ALMONER'S REPORT FOR 1945.

During the past year 2,384 patients have been seen in this Department, of these 484 have been given special help or advice. A more detailed account of what type of help has been required will be given below.

In the majority of cases financial assistance is not the primary need, as very few of the fathers of our patients are unemployed. The greatest need appears to be for help and advice to the mothers in their homes. A large number of the home visits which have been made during this year have been with this object in view. So many of the mothers of the patients have very little idea of even the elementary rules of hygiene, and as a result of this, the treatment which has been started in the hospital is not carried on satisfactorily at home unless the mothers are constantly supervised and visited. The Health Visitors have been a great help in this respect, particularly in the case of children who come from a distance. It is impossible for the Almoner to visit these homes.

Instruments.

34 Instruments have been supplied during the year, of these 28 were paid for entirely by the parents. In the case of the remaining 6, 3 were paid for by the School Medical Officer, one by the Invalid Children's Aid Association, one received help from the Gregg Bequest Samaritan Fund, and one was paid for by the Public Assistance Committee. A number of instruments are at present on order, but have not yet been supplied.

Convalescence and Clothing.

Five children were sent to the Cumberland Convalescent Home, Silloth; the entire cost being met by the parents. One child was sent to the Whitton Towers Convalescent Home, Rothbury. Arrangements were made to send six patients to the Lanchester Emergency Hospital and

three patients to the Chester-le-Street Emergency Hospital through the Ministry of Health. Three children have been admitted to the Shotley Bridge Emergency Hospital.

Fourteen children were given clothing from the Almoner's stock, which has been considerably replenished by the Durham and Northumberland War Needs Fund.

After-care and Home Visits. 72 Home visits were made by the Almoner's Department, but over and above these, various children were referred to the following organisations who attended to their special problems :—

Board of Trade	3
Health Visitors	3
Housing Department	2
Invalid Children's Aid Association	2
N.S.P.C.C.	4
Probation Officer	1
Public Assistance Officer	2
Royal Air Force	1
Sanitary Inspector	1
School Medical Officer	28
Soldiers', Sailor's' and Airmen's Families' Association	7
Tuberculosis Medical Officer	5
Tyneside Council of Social Service	1
Women's Voluntary Service	2

This after-care work and the Home Visiting necessitates the writing and receiving of a considerable number of reports. During this year 169 reports were sent to the various organisations and 99 were received from them.

Fares and Transport. Fares were granted to 10 patients by the School Medical Officer, and 3 by the Gregg Bequest Samaritan Fund. Transport has been arranged for 32 patients during the year.

Other Forms of Help. Bed clothing supplied to 2 patients.
Enquiries : 20 patients.
Arrangements were made for the District Nurse to attend 157 patients.

Child Welfare Service. During the past year the numbers of In-Patient and Out-Patient children under 5 years of age, who received treatment at this Hospital are as follows :—

Number of In-Patients	429
Out-Patient Attendances	874
Total length of stay of In-Patients	1,586 days.

Canteen.

The Canteen still continues to do most useful work, being open two mornings in every week ; and it has been kept going ten months of the year through the very kind help of Mrs. Gardner, Miss A. Sanderson, Mrs. Irving, and the Misses C. M. and M. I. Thorburn.

I should like to take this opportunity of thanking the Medical, Surgical, and Nursing Staffs for their most helpful co-operation.

SPEECH THERAPY CLINIC REPORT FOR 1945.

This Clinic has been held once a week on Monday morning, and since August a second session has been held on a Thursday afternoon.

The number of patients attending on 1st January, 1945, was	17
Referred for treatment during the year	34
Discharged during the year	14
Ceased to attend	6
Transferred to School for Deaf	2
Transferred to a Nursery School	1
Attending 1st January, 1946	28
Total attendances during the year	342
being an increase of 113 on the previous year.	

The cases treated include stammering, cleft palate speech, dyslalia, retarded speech development, spastic diplegia, and lip reading for deaf children before entry to a School for the Deaf.

An Audiometer has been ordered and with this it will be possible to assess the hearing deficiency in children. It is also hoped that a clinic for deaf babies may be held. Much can be done from the age of two years to train the child to watch lips and so develop some understanding of language and also speech. Guidance will also be given to the mother, so that this work can be carried on at home, and when the child is old enough for admission to a School for the Deaf, he will already have some knowledge of speech and be able to make better progress. In this work it is hoped to have the co-operation and help of the Headmaster of the School for the Deaf, North Road, Newcastle upon Tyne, 2.

M. E. MORLEY, B.Sc., F.C.S.T.,
Speech Therapist.

GARMENT GUILD REPORT FOR 1945.

Hon. Secretary : Vacant.

The Death of Miss Cooper has deprived the Hospital of an exceedingly hard working, keenly interested, honorary secretary of the Garment Guild. So far, it has been impossible to replace Miss Cooper, but we thoroughly appreciate the work carried out by those who have continued to knit and make nightgowns and red jackets for the benefit of the patients at this Hospital. We regret the list of donors is incomplete this year, it only contains the names of those who have sent garments to the hospital.

ANNUAL COURT OF GOVERNORS.

The eighty-third Annual Court of Governors was held at the Fleming Hospital, Great North Road, Newcastle, on Thursday, 28th March, 1946, at 3.0 p.m. The Lord Mayor of Newcastle (Alderman J. A. Clydesdale) presiding.

Nineteen present whose names are recorded in the Attendance Books. Mr. J. B. Cairncross, C.A., House Governor and Secretary, and Miss M. Lee, Matron, in attendance.

The Notice convening the Meeting was taken as read.

The Chairman suggested that as the Minutes of the previous Annual Court held on 28th March, 1945 had been circulated, they be taken as read. This was agreed and the Minutes signed by the Chairman.

Regrets for inability to be present were recorded from the Rt. Rev. the Lord Bishop of Newcastle, Mr. J. A. Peacock, Miss K. L. Armstrong, Lt. Col. J. Wadham Grant and Mrs. E. J. Dale.

Annual Reports and Accounts.

The Annual Reports of the Board of Management, Medical Board, Almoner, and Garment Guild, together with the Annual Accounts, all of which had been circulated prior to the Meeting, were taken as read. Confirmation of the Accounts, which had been audited since circulation, was submitted from the Auditors.

The Chairman, in proposing the adoption of the Annual Reports and Accounts, spoke of the fine work which had been carried out during the past twelve difficult months to relieve the suffering of the children. He thought the work of this Hospital could be expanded with great advantage to the community.

Major Frank C. Clayton in seconding the adoption of the Reports and Accounts, noted with gratitude, the increased contributions received during the year. Legacies received had amounted to £8,262 12s. 3d., and he considered this should be borne in mind and careful thought given to any change in policy.

Vote of Thanks to Board of Management, Honorary Treasurer, and Honorary Medical and Surgical Staff. On the proposal of Mr. R. J. Havre, a hearty vote of thanks was accorded to the Board of Management, the Honorary Treasurer, and the Honorary Medical and Surgical Staff for services rendered during the past twelve months.

Major G. D. Anderson responded on behalf of the Board of Management, and paid tribute to the valuable services of Mr. Hugh Pybus who had acted as Honorary Treasurer in the absence of Major Frank C. Clayton. He thought that if the National Health Service Bill passes into Law, it will reduce the labours and the initiative which the members of the Board of Management have given to the welfare of the Hospital. Sympathetic reference was made of the great loss sustained through the death of Mr. F. G. H. Clayton who had been Honorary Treasurer of the Hospital for 40 years.

Appointment of Officers for ensuing Year. Mrs. C. Bedford Fenwick proposed the re-appointment of the existing Vice-Presidents, Lady Patronesses, and Honorary Treasurer. This was seconded by Mr. J. Ridley and carried unanimously.

" Elective Members " on Board of Management for ensuing twelve months. The Chairman intimated that the following ten Ladies and Gentlemen had been nominated for election to the Board of Management for the ensuing twelve months. On the proposal of Mr. W. D. Lockey, seconded by Mr. T. A. Wright, they were duly elected :—

Major G. D. Anderson.	Mrs. C. Bedford Fenwick.
Dr. Paige Arnold.	Miss Millican.
Mr. G. V. M. Bainbridge.	Mr. T. B. Newton.
Major Frank C. Clayton.	Mr. Hugh Pybus.
Mr. W. Cochran-Carr.	Mrs. E. G. Sykes.

Election of Auditors. The Chairman intimated that Messrs. Holmes, Dudley & Co., C.A., were the only nominees for election as Auditors and moved their re-election, which was unanimously agreed.

Vote of Thanks. On the proposal of Mr. W. Cochran-Carr, a sincere vote of thanks was accorded the Lord Mayor for presiding, which was carried with acclamation and the Lord Mayor suitably responded.

Miss Millican proposed and Mr. G. Wagget seconded a vote of thanks to Matron and her Staff, to which Matron responded.

CHAPTER MEETING OF REPRESENTATIVE GOVERNORS.

The Chapter Meeting of Representative Governors was held at the Hospital, Great North Road, Newcastle, on Wednesday, 20th March, 1946, at 7.30 p.m.

Seventeen present whose names are recorded in the Attendance Book. Mr. T. B. Newton in the Chair.

The Notice convening the Meeting was taken as read. The Minutes of the previous Chapter Meeting of Representative Governors held on 21st March, 1945, as circulated in the Annual Report, were taken as read and signed by the Chairman.

Regrets for inability to be present were recorded from Miss Birnie and Miss Robson.

Chairman's Review of Activities of the Hospital during the past Year's Work. year—which had been a strenuous one—were reviewed by the Chairman. There had been substantial increases in the amounts subscribed by Companies and Firms, Employees and Charitable Organisations. The Newcastle Day School Children's Hospitals' Fund had endowed a 6th Cot (Thanksgiving Cot endowed in the year of Victory, 1945), met the cost of an "Audiometer" for the Speech Therapist, and donated £600 towards running expenses, whilst the Vickers-Armstrongs Employees' Medical Fund had made a special contribution of £925.

He mentioned that a Playroom for the children in Hospital who were not confined to their beds, was to be erected, the cost of which would be partly met by the Vickers-Armstrongs 29 Shop Soldiers' Fund, the Northumberland County Herb Committee, and Vickers-Armstrongs Employees' Medical Fund. This would make the children's stay in Hospital a happier one.

Election of Chairman for ensuing Year. Mr. T. B. Newton was unanimously re-elected Chairman for the ensuing twelve months. Mr. Newton returned thanks.

Report of Representative Governors on Board of Management. Miss K. L. Armstrong, Mr. J. A. Peacock, Mrs. M. E. Sutton, Mr. J. Ridley, Mr. George Wagget and Mr. T. A. Wright, Representative Governors on the Board of Management for the past year, spoke of the various activities during their term of office. Tribute was paid to the Staff for their efficient and loyal service. Mention was made of the need of an Honorary Secretary for the Garment Guild, caused through the death of Miss M. Cooper.

The Representative Governors present were invited to address the Meeting, several of whom took the opportunity, and mention of increased contributions and gifts of toys for Christmas were made.

Election of Representatives on Board of Management for ensuing Year. The Chairman requested nominations for election of Representative Governors on the Board of Management for the ensuing twelve months. The following were unanimously re-elected :—

COMPANIES AND FIRMS—

Coun. Mrs. M. E. Sutton, J.P.—South Shields C.B.C.
Mr. T. A. Wright—Vickers-Armstrongs Ltd.
